### PERMAPLATE PAINTLESS DENT REPAIR SERVICE CONTRACT

**Definitions:** “Administrator”, the manufacturer of PermaPlate products, shall mean Siskin Enterprises, Inc. “Service Contract” means this agreement. “PDR” means paintless dent repair which is the process used to remove small dings and minor dents from the exterior painted surface of covered vehicles without repainting. Trained technicians are able to use special tools and equipment to remove such dents and dings without harming the vehicle’s original factory finish.

**Service Contract:** Administrator shall cause dents and dings sustained by owner’s vehicle to be promptly and professionally removed by trained technicians. Covered dents and dings include those which are less than 4 inches across and are located on the

covered vehicle's exterior horizontal or vertical flat, painted sheet metal surfaces. Most small common dents can be removed using the PDR process. This coverage is effective for the duration of the Service Contract as per the term selected on the reverse side of this Service Contract. There is no limit on the number of PDR repairs that can be received as long as the terms and conditions of this Service Contract are met. This Service Contract does not apply to damage existing prior to the Purchase Date described on the reverse side or to collision damage, very deep dents or to dents where the painted surface has been broken or otherwise damaged. In the case of small dents caused by hail, this Service Contract applies up to the amount of the deductible applicable to hail under the owner's auto insurance policy, but, in any case, not to exceed \$1,000.00. **This Service Contract is subject to all of the terms and conditions as set forth on both sides of this document.**

**Overlapping Coverage:** Hail damage coverage is limited to \$1,000 for the life of this Service Contract. Owner's automobile insurance coverage shall be deemed primary for purposes of all hail damage repair. Owner may not receive duplication of coverage from Administrator and from owner's regular automobile insurance policy. In the case of hail damage, owner must provide Administrator with a copy of his or her in-force comprehensive property damage insurance policy that provides coverage for hail. If owner does not carry other coverage for hail damage, Administrator shall provide coverage hereunder up to the lifetime limit for hail damage as described above. Traditional body shop type repair work or painting is not covered under this Service Contract.

**Right to Transfer:** The vehicle owner shall have the right to transfer this Service Contract to the next owner of this vehicle free of charge. To complete such transfer, Administrator must be notified of the change in ownership within thirty (30) days from the date of transfer to such first subsequent owner. Owner may also transfer this Service Contract to a different vehicle acquired by owner for the remaining term hereof provided a \$40.00 administrative fee is paid. Owner must complete and submit the necessary Request to Transfer form (available from the Administrator at the address indicated at the bottom of this page) together with the administrative fee.

**Right to Cancel:** This Service Contract is cancelable by the owner at any time provided there are no claims made. If canceled within thirty (30) days of the Purchase Date, owner will receive a full refund of the purchase price. After thirty (30) days, owner will receive a pro-rata refund of the purchase price, based on the number of unused months, less a \$50.00 service fee. Owner may cancel by notifying Administrator at the address set forth at the bottom of this page.

**Limitations of Coverage:** This Service Contract does not apply to damage occurring outside of the United States, Canada, and Puerto Rico or to the following: (a) large dents, from hail damage or otherwise, which are professionally determined to be non-repairable using the PDR process; (b) dents or dings that are caused, in whole or in part, by environmental conditions or events, including rust, corrosion or chemicals; (c) damage to the interior or undercarriage of the vehicle; (d) scratches, chips, cracks or other similar damage to the painted exterior; (e) dents or dings requiring the use of putty, sanding, bonding primer, or paint; (f) damage to the vehicle's chrome, glass, plastic, or other non-metal or other unpainted areas; (g) dents or dings located on or near creases or in other areas that may result in body damage if the PDR process is utilized; (h) dents or dings to areas of the vehicle where access is limited due to bracing, aftermarket installations or double metal panels such as the roof panels of vehicles equipped with sun- or moon-roof. This Service Contract does not cover (i) damage to the factory's original finishes if such have been altered or modified after leaving the factory, (ii) damage which a professional dent removal technician reasonably determines can not be fully repaired using the PDR process, (iii) damage to vehicles used for commercial purposes, including but not limited to, ambulances, police cars, or other emergency vehicles or trucks rated over one ton, and (iv) dents or dings that were on the vehicle at the time this Service Contract was purchased.

**Repair Obligations:** If covered damage has occurred, Administrator will pay only for the repair of the damaged portion of the vehicle. Administrator reserves the right to inspect for liability or may request estimates for repair and/or photographs of the damage to determine the validity of the claim. Administrator has sole discretion in determining and implementing repair procedures. Such repairs will be performed with reasonable promptness and with quality workmanship. Administrator has no obligation to reimburse owner for transportation or inconvenience costs during time of repair. As stated above, there is no limit on the number of PDR repairs that can be received as long as, in each case, the terms and conditions of this Service Contract are met.

**Claim Procedure:** To be valid, a claim must be filed during the selected term of this Service Contract and may only be paid on a properly registered and, if applicable, properly transferred Service Contract. To file a claim, contact Administrator at the telephone number, address or web site listed below. ANY REPAIR UNDERTAKEN WITHOUT EXPRESS, WRITTEN AUTHORIZATION FROM ADMINISTRATOR WILL NOT BE ELIGIBLE FOR REIMBURSEMENT. The selling dealer is not a party to this Service Contract and should not be contacted should you have a claim hereunder.

**Disclaimer: SISKIN ENTERPRISES, INC. Is the Obligor under this Service Contract.** TERMS AND CONDITIONS ARE AS STATED ABOVE AND CANNOT BE ALTERED. This Service Contract specifically excludes Siskin Enterprises, Inc. from liability for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exception may not apply to you. No express rights are given under this Service Contract except for those specifically described herein. This Service Contract gives you specific legal rights and you may also have other rights which vary from state to state. Due to the nature of the PDR process, Administrator does not guarantee that performance of the PDR process will work in every case. Obligations of the Service Contract Obligor under this Service Contract are insured under a reimbursement policy. If covered service is not provided by such Obligor before the 60<sup>th</sup> day from date of valid claim initiation, vehicle owner may apply directly to Wesco Insurance Company (a member of AmTrust Group), 59 Maiden Lane, 43<sup>rd</sup> Floor, New York, NY 10038 (866-505-4048) for benefits afforded under this Service Contract.

**Not Insurance:** This Service Contract is not an insurance policy. It is an agreement between the vehicle owner and Siskin Enterprises, Inc. for certain covered dent and ding type repairs that can be achieved through the PDR process. Owner should obtain its own casualty and personal property insurance for owner's vehicle.
